by Wholesalers in Many Large Cities.

MORE CASH NOW TO SPEND

of wholesalers all over the country who have been canvassed by the Dry Goods Economist. The crops have all been good, the dealers report, and the tendency to economize is less than a few dency to economize is less than a few comment, and of late industrial expansions. It was further announced by the directors that it had been decided to place the stock permanently on a dividend basis of 4 per cent, per annum.

Although the action of the directors that it had been decided to place the stock permanently on a dividend basis of 4 per cent, per annum. months ago. Labor is more fully employed, and even the South reports an era of great prosperity in sight. Some of the opinions follow:

California.

Los Angeles-Our volume of sales since July shows a marked improvement. Throughout the great Southwest all retailers will experience a large business between now and the ho days.— Cooper, Coate and Casey Dry Goods

Company.
San Francisco—Fundamental conditions on the Pacific coast are sound. Crops have been abundant and the pessi-mism which has resulted from the war is rapidly giving way to a spirit of optimism and confidence.—Moore-Watson Dry Goods Company.

Atlanta—In the seven States which we cover conditions are excellent. Be-yond a doubt the South stands facing an era of prosperity which is unequalled in her history.—A. M. Robinson Com-

Georgia.

Illinois.

Chicago-Retail merchants in agr eultural districts have had a satisfac-tory business for the last twelve months, and the farmer is in a comfortable state of mind, with greater crops than ever before in the history of this country to be sold at war prices. There is a vigor-ous renewal of activity in our indus-trial centres.—Butler Brothers.

Indiana.

Indianapolis-That business is grow ing better, industrial conditions are im proving and the general outlook is grow-ng brighter constantly is our view, and that we are entering upon a period of prosperity that promises unusual devel-epments.—Havens & Geddes Company.

Maryland.

Baltimore-I have great faith in the present situation and believe the same will strengthen from day to day. I look forward to the best spring season in this territory that we have had since 1967.—Daniel Miller Company.

Missouri.

Goods Company. St. Louis-The business outlook in this section is very encouraging, par-ticularly in the South, where the high prices for cotton and the good crops of

DRY GOODS TRADE ACTIVE.

the New York market activity is the rule. In fact, with the expansion in consumption which appears to be imminent and which will lead distributers to loosen up, the probability of a too sudden and too unanimous buying movement in certain lines is the only ground for disquietude.

To Be Known Hereafter as Gulf, Mobile & Northern.

"In cotton goods, in particular, it is ments. Added to this is the scarcity of dyestuffs, for which no remedy is in sight. A prominent cotton goods commission house reports a larger percentage of increase in its business than at any time since the busy year of 1996. Another big concern representing a number of Southern mills reports a flood of telegrams from wholesalers urging shipment ahead of the time set for delivery."

STERLING RATES ADVANCE.

Franc Exchange Continues to Decline Fractionally.

Sterling exchange rates continued to advance yesterday, brokers saying there was considerable demand for exchange on London from Stock Exchange houses

4.68 and 4.68½ on Thursday, Francs
continued to decline fractionally, closing
at 5.86½ for checks and 5.86 for cables.
They were quoted Thursday at 5.86 and
5.85 respectively. Italian lire dropped
from 6.39½ to 6.41 and rubles were unchanged at 24.

Mark checks were unchanged at 28. Mark checks were unchanged at 82%

and mark cables declined from 82% to 82 9-16. Austrian kronen advanced 14.60 to 14.85.

The Madison County Society of New York was organized yesterday afternoon The Madison County Society of New York was organized yesterday afternoon at a meeting in the office of John A. Stewart, 233 Broadway, and the following officers were elected: Honorary president, Thomas L. James; honorary vice-president, Charles S. Falson orary vice-president, Charles S. Fairchild; honorary secretary, Dan Kellogg; honorary treasurer, Je Durham; president, Charles W. Staple-

AT QUICKENING PACE

Tide of Commercial Prosperity.

quickening advance in business.

sion has been phenomenally rapid. Re-ports from nearly all sections of the country tell of the unchecked growth of new enterprise, which, while manifest in varying degrees in different lines and localities, is everywhere stimulated by the exceptional strength of the funda-

mental situation.

"Assurance of agricultural success, together with almost unlimited financial resources, has given the commercial world the confidence essential to the development of national prosperity, and the notable improvement in sentiment and charge of civil terror more clearly world the confidence essential to the development of national prosperity, and the notable improvement in sentiment and change of epirit is now more clearly reflected in the volume of current transactions. The latter, with few exceptions, are steadily enlarging, as is evidenced by the comparisons of bank actions. The latter, with few exceptions, are steadily enlarging, as is evidenced by the comparisons of bank clearings, railroad earnings, commodity prices, unfilled steel tonnage, idle freight cars and other statistical barometers.

"It is not mere speculation or hope that starts many wheels revolving in iron and steel after an idleness of several years, but a rush of actual orders that is taxing the capacity of mills and furnaces to the utmost. With operations in the great basic industry on a scale seldom if ever equalled, additions to working forces are imperative and the increase in the number of men at work

| Accordingly the repurchase the bonds at a later date when funds are available if it so wishes. Since the reorganization of the property the management has been setting aside from current earnings about \$500.000 annually for depreciation. It is officially stated that this policy will be continued for the present at least.

WARNING ON COTTON FUTURES. ncrease in the number of men at work means a broadening of consumptive requirements. This puts more money in circulation and ultimately benefits all branches of business, causing dealers to replenish depleted stocks, making col-

forward to the best spring season in this territory that we have had since 1907.—Daniel Miller Company.

Massachusetts.

Boston—The country's trade and industrial condition, we believe, are now on the upgrade. The month of July seemed to be the turning point. Since then the whole trend has become much more optimistic. We all deplore the possibility of a boom, yet, in spite of the country is trade and in in the chorus of good reports, manifestations in those zones being the best witnessed shows a staple wearing apparel at practically all points are light, the result of long practical was all light, the result of long practical was a light, the result of long practical was a light, the result of long practical was a light, the result of long practically all points are light. Boston—The country.

dustrial condition, we believe, are now on the upgrade. The month of July seemed to be the turning point. Since then the whole trend has become much in the chorus of good reports, manifestations in those zones being the best witnessed since October, 1912, or just as the first Bajkan war began.

"War orders, making for large payrolls, high quotations for cotton and its products and profitable prices for wheat, provide the vehicles for speedler movement of the sections fust named.
